ILLEGAL FIREWORKS

Recently there have been fireworks shot off in and around Summerlakes, and based on previous years this is only the beginning of a noisy summer. Please be aware that there is a minimum fine of \$250.00 for setting off fireworks outside of an authorized public display. This includes firecrackers, bottle rockets, mortars, pinwheels and Roman candles. The full statute can be found in the City Code-Title 4, Chapter 6, Section 1. After last year's experience the City will have officers specifically assigned to enforce this.

Illegal fireworks can cause thousands of injuries and even fatalities each year as well as damage to property, including damage to neighboring properties. Even those fireworks that do not cause any physical damage to either people or property can cause stress to those with medical conditions, and pets! Please be a considerate neighbor and confine your celebrations to legal activities only. And if you are wanting to see fireworks, the City of Warrenton is putting on a wonderful display on July 3rd. For firework complaints please call the Police non-emergency number at 630.393.2131, or dial 911.

Stay Safe!

ILLEGAL FIREWORKS ARE EXPENSIVE!

All fireworks EXCEPT these Class C are ILLEGAL:

- ◆ Snakes or Glowworm Pellets
- ◆ Smoke Devices

- ◆ Sparkle
- ◆ Toy Pistols
