ANNUAL ELECTION MEETING COMING SOON!

Are you interested in becoming a Board Member for Summerlakes? Our annual election meeting will be held on Thursday, November 11, 2021. This year we will have three (3) open positions to fill. Each member serves a two year term; positions to be determined after the election. You will soon be receiving "A Call for Candidates" form in the mail. If you are interested in serving on the Summerlakes Board of Directors for the good of the community, please fill out the candidate form and send it in to the Clubhouse office by 5:00 p.m. on October 15th so your information can go in to the November newsletter, and your name put on the proxies/ballots before they get mailed out to the homeowners. For more information you can email Mickie at michele@summerlakeshomeowners.org.

MEET OUR CURRENT CANDIDATES

STEVEN LEWIS

I am a 33 year resident of the Summerlakes Homeowners' Association. I have a Bachelor Degree majoring in mathematics and a minor in physics and computer programming. I have been associated with the SHA Board for 31 years I have held positions of Director, President and Treasurer at various times, and have also been a Boy Scout Leader for Troop 514 for 31 years.

I am running again for the Board this year to insure that the Summerlakes Homeowners' Association maintains and improves the environment, and remains fiscally responsible while maintaining a friendly and safe association.

MEGAN KLEIBER

My husband and small children (5 & 2) have been part of the Summerlakes community since October 2016. I work in marketing and events for a family owned company that specializes in interactive technology for education and corporations. When my children are both in elementary school I have plans to go back to school and get my nursing degree.

I would like to be a part of the SHA Board to assist in making our community the best it can be for all of our current families, and families to come. I want to make sure we utilize all of our resources to the best of our ability. I would also like to see more detailed communication of the Board's plans to our community. Although I'm still in my mid-thirties I believe having someone younger on the Board will have a positive and impactful influence for all families currently living in Summerlakes and for all that are yet to come.

FINAL BRUSH PICK-UP

The last brush pick-up for this year will be in October. Summerlakes falls within Zones 1 & 2.

Zone 1 (north of Batavia Road) - first Monday of October

Zone 2 (south of Batavia Road) - second Monday of October

Please keep in mind that brush is required to be out by 7:00 a.m. on the designated Monday, but pick-up may occur on a day later in that week.

Brush piles must comply with the following guidelines:

- ◆ One pile per address
- ◆ Pile cannot be greater than 3 feet in height, 8 feet in depth, and 15 feet in length
- ◆ Branches cannot be longer than 8 feet in length and no more than 8 inches in diameter
- ◆ Branches must be placed with the larger cut end toward the street

Brush pick-up is limited to trimmings (not tree removal) from bushes or shrubs, and branches from trimming and/or pruning trees. Other items such as logs, root balls, stumps, lumber, etc. will NOT be picked up. **Brush piles that do not conform to these standards will NOT be picked up and a notice will be left on the front door.** Call the Public Works Department at 630.393.9050 for more information.

OUTDOOR BURNING REGULATIONS: With cooler weather arriving, please keep in mind the following permitted open burning regulations: Branches and twigs may be burned as long as they are dry and do not cause a large amount of smoke. Recreational fires and small landscape waste fires are permitted up to 2 feet by 2 feet by 2 feet in an approved container with a spark arrestor as long as it is no closer than 15 feet to any temporary or permanent structure (including fences, garages, houses, patios, etc.). Open burning in a container that is not approved and no larger than 2' by 2' by 2' in size, must be located 50 feet from any temporary or permanent structure and must be covered with a spark arrestor. Open burning greater in size than 2' by 2' by 2' requires an open burning permit, which may be obtained at City Hall. Open burning greater than 5' by 5' by 5' is not permitted except for ecological management, and requires an IEPA burning permit. Violations of the open burning ordinance may result in a \$75 fine.
